Karito Kids Debuts Books To Complement New Doll Line

Karito Kids Adventures will debut five books featuring 11-year-old girls as they find mystery and adventure. With storylines related to travel, tradition and culture, the book series complements Karito Kids new line of international dolls. In their books, the dolls travel to Shanghai, Nairobi, Florence, Manhattan and Mexico. Written in a part-fiction, part-fact style, the books include a scrapbook about each doll's country, which is designed from the doll's perspective. The books and dolls will be at booth 1804.

Karito Kids' dolls and books include computer activities.
