Karito Kids

Karito Kids hit the runway with six brand new outfits. The World Collection of Fashion and Accessories reflect the contemporary clothing style of each country and the notion that fashion is similar around the world. The attire includes Zen Vibe, Sunny Days, Sweet Dreams, Slumber Party, Party Princess, Dreamwear and Play Date. These ensembles include everything a smartly-dressed girl needs for a complete outfit and also includes a World Citizen Activation card, which enables the child to visit the company's Web site. Enter the code and then choose the charitable project to which 3 percent of the retail price will be directed through children's charity Plan USA.
