BY CLAIRE SULMERS

The holidays are crunch time for most gift buyers as we struggle with what to get for everyone, from that superpicky sister-in-law and hard-to-please hubby to our toy-inclined tots. Thankfully we've done some of the legwork for you. These pages highlight some of the snazziest gift items we could find. And the following shopping guide lays out the best Web sites, catalogs and stores filled with a variety of choices to satisfy your every need.

Best Places to Shop for Kids

Whether you're buying for a new parent or indulging the tyke in your life, these stores provide all you'll ever need—teddy bears, rocking chairs, educational games, all-terrain riders, collectible dolls and more.
