FamilyFun Names Toy of the Year Award Winners

FamilyFun magazine has announced the winners of the 17th annual Toy of the Year (T.O.Y.) Awards. Spin Master's Air Hogs Zero Gravity Micro, an off-road vehicle that can climb walls, is this year's #1 toy. Disney Pix Jr. Digital Camera, Tag Reading System from LeapFrog, Glow Station from Crayola and the Food Chain Friends from Pint Size Productions are also among the winners. Past T.O.Y. award winners, such as Tickle Me Elmo, Rescue Heroes play sets, and the Shake 'n Go! Speedway, have become the holiday season's must-have toys.

The 36 winners appear in the November 2008 issue of *FamilyFun* magazine, which hits newsstands October 14th. The list is available on FamilyFun magazine's [Website](#).

"FamilyFun's Toy of the Year Awards have become a reliable go-to guide for parents, grandparents, and holiday gift buyers alike," said Alexandra Kennedy, vice president and editorial director of FamilyFun. "We are proud to offer a diverse roundup of kid-approved and age-appropriate toys."
