Tori wants baby Stella to have a ladybug stocking

WE'VE MET Tori Spelling's mom, but what about her daughter? The 30-year-old, 5'10-inch, blonde beauty is the daughter of David Charvet and Demi Moore. At her home in Malibu, California, Tori is preparing for the arrival of her fourth child, baby Stella, who is due in late December. Tori is excited to have a baby at home — she'll get a huge tree and decorate it together, she says. "We'll have all the family over and sleep under the tree."

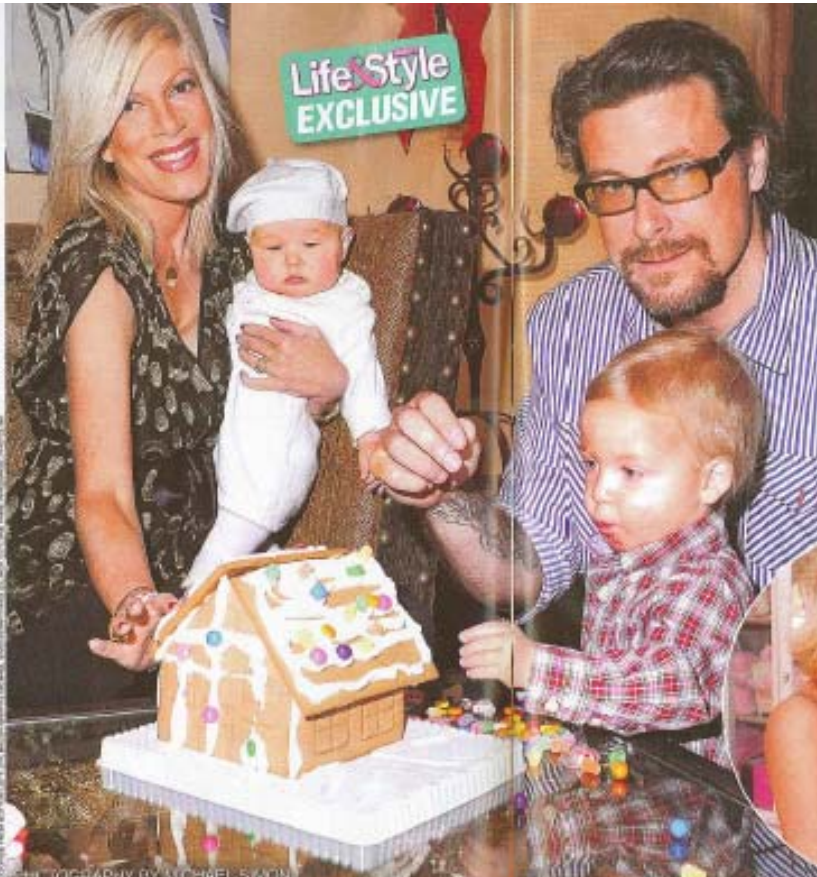

Brooke's family sleepover has one more

Dancing With the Stars champ Brooke Burke, 37, isn't leaving 9-month-old son Shayo — her fourth child — out of family traditions. "It's exciting to have a baby at home — we'll get a huge tree and decorate it together," Brooke (here with fiancé David Charvet) tells *Life & Style*. "We'll have all the family over and sleep under the tree."

A boy in time for Christmas

Michelle Kwan's 4-year-old son, Samuel, will be a big boy for Christmas. Samuel was born on Dec. 13. Now 17 months old, Alexander is a toddler!

What the lucky tots are getting

Worldly rag dolls

Talking Elmo

David Beckham met Elmo when he appeared on *Sesame Street* earlier this year, so it's no wonder the soccer star is getting the animatronic Elmo Live (\$80, Target) for his youngest son, Cruz.

A stylin' ride

Denise Richards' girls, Sam and Lola, will travel in style in the Power Wheels Barbie Jammin' Jeep (\$250, Toys "R" Us), which can cruise up to 5 mph and has an FM radio.

Gift of Gabba

Jack Black's sons, Sammy (above) and Tommy, will go gaga for Nick Jr.'s Yo Gabba Gabba! gang, especially this Denzo Dance Brobee (\$36, Toys "R" Us).
