I'm going to post the same disclaimer here that I posted on Table for Five- I thought Father's Day was NEXT SUNDAY. My Outlook Calendar has posts scheduled for that whole week, which is when I was going to tell you all about the best, hottest gifts for Dads this Father's Day. Which is THIS SUNDAY! OOOOOOPS! So, instead, you get the gift guide TODAY! Here's how it's going to work-I'm going to tell you about and link to some great products that I have personally researched that I think will make great gifts for Dads. Some can be bought in stores, so if you haven't already bought something, you still have time (go, this weekend! Go SHOPPING!). Anything that needs to be purchased online, here's what you do-if it's the perfect gift, print out a screenshot of the page and fold it up inside a Father's Day card that lets him know that the gift has been ordered and is on it's way! Ready? Let's talk great Father's Day Gifts!

For The Dad Who Likes To Play With The Kids:

Kidstuff PR is proud to announce that several of it's clients' products were awarded the Mr. Dad Seal of Approval! Although the Dads out there may or may not appreciate receiving some of these toys for themselves for Father's Day, the point of the awards is Armin Brott's (aka Mr. Dad) assessment of toys our kids love to play with that are especially great for dads to enjoy with their children too, that foster a special bond between father and child when they play together.

Hailed by Time Magazine as "the superdad's superdad," Armin Brott, aka "Mr. Dad" has been building better fathers for more than a decade. As the author of six bestselling books on fatherhood, he has helped millions of men around the world become the fathers they want to be-and that their children need them to be. The Mr. Dad Seal of Approval and GreatDad Recommends awards recognize products and services that support our mission: giving men the resources, tools, and information they need to be the fathers they want to be and that their families need them to be. To earn the Mr. Dad Seal of Approval and the GreatDad Recommends award, a product or service must:

- Help dads get or stay involved with their children
- Improve the quality of the time fathers and children spend together
- Improve father-child relationships
- Help dads be better parents
- Helps dads be better partners

These are the items that won Mr. Dad awards, they would all make great Father's Day gifts for the Dad who likes to get right down on the floor and play with this kids!
