Kidz Around the World

KidsGive introduces new clothing for the Karito Kids line of international dolls. Each outfit and accessory includes a World Citizen Activation Card that lets children visit the company's website, enter their code, and choose a charitable project to which 3 percent of the retail price of the item will be donated. The **Zen Vibe** yoga outfit includes a stretch tee, a snapped wraparound crop top with three-quarter sleeves, and yoga pants. Yoga shoes are made with soft mesh and Velcro closures. A yoga mat features jacquard trim and can be carried in a faux-leather bag with matching trim and an outside Velcro closure to wrap up the mat and a towel.

Sunny Days features a colorful sundress with a fitted top and a high waist. Wrap-around platform sandals, a purse, and a bangle complete the look. The **Sweet Dreams**' pajama set includes a baby doll top with details of satin bows and eyelet trim and cropped flared pants with matching trim. A matching robe with an empire waist and eyelet cotton cuffs match platform plush flip-flop slippers. The **Slumber Party** set includes a sleeping bag and a plush kitty. The fleece sleeping bag has a white satin trim.

For special occasions, girls can dress their Karito Kid in the **Party Princess** set. The lavender dress is made from cotton chintz and comes with matching white faux-leather ballet slippers, a box purse, a pearl necklace, and a bracelet. The **Dreamwear** set includes a lavender velour nightgown, a white velour robe, and plush slippers. The **Play Date** set features a baby doll top with cropped pants, rope platform sandals, a fishing hat with crocheted flowers, and a multi-color bag.
