Hot Holiday Toys: Classic Dolls with a Twist & Newcomers with a Message

Category: [Children Toys Top Five](#)

There's no single must-have doll like last year's [TMX Tickle Me Elmo](#), but there are others that kids are placing high on their holiday lists, including feel-good dolls with positive messages and old favorites with a new twist. Here are the top five:

1. [Karito Kids](#) (\$100): Five dolls from different parts of the world teach young girls to think on a global scale. In the spirit of giving, kids can go online and choose which charity receives a percentage of their doll's retail price.
