

Birth of a Mother

(Circulation: 12,000 in Major Canadian Markets)

World Collection Dolls by Karito Kids. Created to teach kids about caring, other cultures and the importance of giving back, the multicultural Karito Kids dolls represent modern-day 11-year-old girls from around the world.

Each 21" poseable doll displays the beauty of diversity and ethnicity. She wears current fashions inspired by her country and personality. A percentage of every Karito Kids purchase goes to help those in need. Kids can log in to the Karito Kids website using the online code included with their doll and choose to direct their donation to one of four causes: food, health, home or school. As well each doll comes a hardcover, illustrated Karito Kids Adventure chapter book! Available at Livingstone and Cavell Extraordinary Toys and fine toy retailers across Canada.
