

The Toy Book

(Circulation: 14,490)

Karito Kids Travel Charmers, from KidsGive, are designed to teach kids about charitable giving. The 16-inch soft dolls wear current fashions inspired by the country they visit, and come with a collectible charm as a souvenir of their trip. The educational online games at the Karito Kids website allow girls to earn points and passport stamps toward World Change, which they can donate to one of four causes: food, health, home, or school.
